Dear Project Mexico Sponsor,

Our Project Mexico Team would like to extend their greatest appreciation to you for your support. Volunteers for Project Mexico build homes for impoverished families in Colonia de San Bernardo, a small community just south of Tijuana, Mexico. The homes have three rooms and a loft, are sturdy and durable, and will provide long-lasting—and much needed—shelter and dignity for many families far less fortunate than us.

Your donation helps pay for the cost of materials for each home, and is 100% tax-deductible. We supply all tools, equipment, and labor to build these homes, from foundation to completion, in a single weekend. In so doing, it is our hope that these families will experience God's love in a very practical way, with no strings attached.

Thank you for helping make this life-changing experience possible,

Jon Hall
